Confirmation No. 5957

C1
contd
iNOS inhibitor as a bone mass-maintenance drug to maintain
bone mass.

Please amend claim 15 as follows:

C2
15. (Amended) A kit for treating a bone
resorption-associated disease comprising an effective
amount of a selective iNOS inhibitor as a bone mass-
maintenance drug to maintain bone mass and instructions for
treating a bone resorption-associated disease.
